

CANATA

Canada – SAMPLE ONLY

MANUFACTURED GOODS CANADA [Preference Rule Type P75 or P25*]

"I declare that:

(a) the last process in the manufacture of the goods described below was performed in Canada; (b) not less than 75 % of their total factory cost is represented by the sum of the allowable expenditure of the factory on materials, labour and overheads and the cost of inner containers of Canada or of Australia and Canada; and

(c) the goods were shipped to Australia from Canada and either: (i) they were not transhipped;

or

(ii) when they were shipped from Canada, their intended destination was Australia
